**Legiant Announces Book Signing Event at SHRM Annual Conference**

AUSTIN, TX – June 17, 2009 – Legiant, a leading provider of time and attendance software, announced that author and president of Athena Enterprises, Lisa Disselkamp, will make an appearance and book signing at the 2009 SHRM (Society for Human Resource Management) Annual Conference and Exposition in New Orleans, Louisiana. For a limited number of conference attendees, Lisa Disselkamp will be signing her latest book, “No Boundaries: How to Use Time and Labor Management Technology to Win the Race for Profits and Productivity.”

Disselkamp is a Subject Matter Expert (SME) and technical resource on workforce management software, HRIS, payroll, timekeeping, compensation, scheduling, and labor analytics systems. As President of Athena Enterprises, she leads a team of talented consultants who share her passion for time and labor management technology. Disselkamp is the author of the only two books focusing solely on Workforce Management technology – No Boundaries (Wiley & Co. 2009) and Working the Clock (Oaklea Press 2007).

“We are excited to have Lisa Disselkamp participate in a book signing event at the Legiant booth,” said Walter Ross, chief executive officer of Legiant. “No Boundaries provides managers with a strategy for utilizing a wide variety of workforce management technology to lower costs and improve productivity. Our time and attendance solution is just one part of the puzzle.”

For over a decade, Legiant has been leading the way in the time and attendance industry with features like zero-footprint installation, automatic workflow notifications and web-based solutions. Legiant will exhibit at Booth 542 at the 2009 SHRM Annual Conference. Legiant will also be exhibiting at the HR Southwest Conference and the Texas Payroll Conference. For more information on upcoming events, visit Legiant’s website at [www.legiant.com](http://www.legiant.com).

**About Legiant**

Legiant is a leading provider of web-based time and attendance software for payroll, attendance, productivity, leave and project tracking. Flexible time and attendance tracking solutions help Legiant's enterprise customers maximize the profitability and productivity of their workforce. Solutions such as Legiant Timecard™ and Legiant Express™ can be customized to meet the unique needs of any organization including mobile workforce tracking, payroll automation or automated time and attendance and workforce productivity reporting. Legiant combines software, hardware, and professional services to create a comprehensive time tracking solution, easy-to-use and accessible from anywhere through a Web-based interface. Legiant integrates with the majority of payroll systems and supports biometric data collection devices.
